G Known, Suspected or Likely Releases to the Environment:

Place an X in the appropriate boxes to indicate any known, suspected, or likely releases of wastes to the environment.

☐ Known ☐ Suspected ☐ Likely ☒ None

Note: Items H and I are optional. Completing these items will assist EPA and State and local governments in locating and assessing hazardous waste sites. Although completing the items is not required, you are encouraged to do so.

H Sketch Map of Site Location: (Optional)

Sketch a map showing streets, highways, routes or other prominent landmarks near the site. Place an X on the map to indicate the site location. Draw an arrow showing the direction north. You may substitute a publishing map showing the site location.

NOTE - This is a precautionary filing. Pennsylvania Gas and Water Company has no knowledge as to the nature of hazardous wastes, if any, that may have been generated during the gas manufacturing process nor is it aware of any disposal or storage of hazardous waste material at this site. This facility was retired in 1969, at which time it was dismantled and all equipment removed.

I Description of Site: (Optional)

Describe the history and present conditions of the site. Give directions to the site and describe any nearby wells, springs, lakes, or housing. Include such information as how waste was disposed and where the waste came from. Provide any other information or comments which may help describe the site conditions.

J Signature and Title:

The person or authorized representative (such as plant managers, superintendents, trustees or attorneys) of persons required to notify must sign the form and provide a mailing address (if different than address in item A). For other persons providing notification, the signature is optional. Check the boxes which best describe the relationship to the site of the person required to notify. If you are not required to notify check "Other".

Sites Notification
Philadelphia, Pa. 19106

Gentlemen:

Enclosed are forms completed by Pennsylvania Gas and Water Company for sites of all former manufactured gas production and storage facilities operated in the past by the Company.

These plants which have not been operated for many years, have been dismantled. In certain instances, the property on which these plants were located has been conveyed to others. In these cases, the Company has notified the purchaser, provided a copy of the completed form and a copy of the EPA instructions for notification of the existence of the site.

Sincerely,

GBT:P

ENCLS.
